Al-Farabi Kazakh National University is located in the heart of Asia, in a country with a rich history and tradition

Almaty is the largest modern metropolis in the world with a population of about 2 million people, among which more than 200 thousand students live and study interethnic tolerance in a multicultural educational environment of the city. There are more than 50 higher educational institutions in the city. Thanks to the multi-ethnic composition of the population, modern, high-quality education system, hospitality and openness of the local population, foreign students easily undergo the process of adaptation, feeling at home from the first days of their stay.

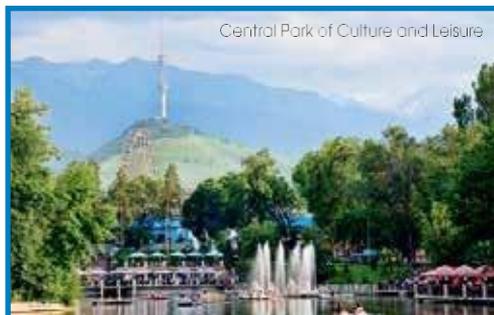

Almaty is a boiling life cauldron, a hospitable home for representatives of hundreds of peoples and cultures, never sleeping, pulsating in its own, precise rhythm. Thus, the city is home to more than 120 nationalities. Almaty is a sunny, cozy, and immersed in greenery city with a huge number and variety of attractions, both natural and historical and architectural. The area of the city is 682 sq km.

“The whole earth will become virtuous if people help each other to achieve happiness”

Abu Nasr al-Farabi
