# STUDENTS TESTIMONIALS

My name is Maaz Ali Khan . I'm 18 years old. I would like to say some words about my university and my students life.I am a student of the WEST KAZAKH MARAT OSPANOV MEDICAL UNIVERSITY . This university is one of the oldest universities of KAZAKHSTAN Its history started in the XIX century. Nowadays this university is one of the most prestigious educational institutions of our country.

The study of this university is very good and the lecturer's and professor's have good skills and knowledge and since i am going to second year but having a good experince in first year.

I am a 2nd year student of WKMU... The WKMU has the best quality of education in low fees... Moreover the WKMU has a huge and wonderful international library with free access for the students... Even the transportation from WKMU to university is easy.... The whole staff were helpful and cooperative and I felt like it was my best decision to take the admission here through TeCAS.... I hope all the best and greatest success for the WKMU in future....

Hello I'm Shaik Akhil of 5th year student of general medicine from west kazakhstan medical university I feel very privileged to study in this prestigious university under the guidance of well qualified faculty ,with good infrastructure and highly equipped hospitals which helped us to improve our clinical knowledge more .

Friendly and multi cultural environment has been maintained at university campus

My name is Himani purohit Right now i completed my fourth year from West Kazakhstan State medical University I am from Bikaner Rajasthan (India)Our university is providing so peaceful and happy environment for the students and especially for the foreign student. West Kazakhstan Marat ospanov State medical University is one of the best university we can see as a foreign medical student and the university staff is so helpful in

nature, the teachers are highly qualified and well educated.

My name is Sreelekshmi, Manjulatha Radhakrishnan 1st year student of west Kazakh Marat Ospanov University, Aktobe. I would like to say that our university is good for foreign students choose to study mbbs because it provides better opportunity and good facilities and faculties to fulfill our dream. I feel proud to be a student of West Kazakh Marat Ospanov Medical University.

Hi! I am Mohammed Saeed Khan and I am currently pursuing my MBBS studies from WEST KAZAKHSTAN MARAT OSPANOV MEDICAL UNIVERSITY which is situated in Aktobe, Kazakhstan. The environment in the university is really good for me and its just like a home to me. The teachers of my university are also really good and they are really helpful to us in studies and in others problems we have in the new city far from home.

I got many friends who are really helping and like a family to me.

Myself Firdous fathima. I am studying in West Kazakhstan Marat Ospanov University, very famous in Kazakhstan country. Our institute has high qualified professors. They teach us in English. And also seniors help us in many ways. Our university has 3 corpuses and a large play ground. A canteen with different foods And different types of departments in which we study.

Lecturers explanation is mind-blowing, they make us to understand each and every topic. Every year 200+ foreign students come to study in our institute.

West Kazakhstan Marat Ospanov Medical University is one of best university of Kazakhstan which provides different types of medical course. MBBS course is most popular course of this university among foreign students. Teaching method and apparatus for MBBS course is student friendly and affordable.This university is also approved by WHO and NMC .MBBS course of this university is golbally accepted.

Hii myself Imtiyaz sheikh from Manipur, India of 3 course presently studying in west Kazakhstan Marat Ospanov Medical university Aktobe. Our university is one of the perfect medical university in Kazakhstan, about teaching faculty is perfect and best for all time and mode of teaching is also good, about practice we usually have own hospital for different department where we perform our practical skills, for hostel

accommodation university provide separate hostel for International students and local students.

My name is Zulfiqar Ali .I belong from Pakistan. I am the student of the 1st year .Our university is best one university in the whole KAZAKHSTAN . This university staff is very honestly and teach properly .This university also provide practical working .The Teachers staff are very hardworking
