KAZAKHSTAN

1

Almaty is a unique metropolis, which is located at the foot of the Trans-Ili Alatau Mountains - the northern spurs of the Tien Shan Mountains. It is the largest and most populous city in Kazakhstan, the southern capital and the center of business and cultural life of the country.

2

Almaty is the Southern capital. The cultural, financial, and business life of not only Kazakhstan, but throughout Central Asia is concentrated here. Every day, dozens of different events, exhibitions and concerts, business meetings and conferences on a variety of topics are held here. The city does not calm down for a minute: tourist life in Almaty is in full swing day and night.

3

According to official data as of August 2022, the city's population exceeded 2 million people. Almaty is a multinational city where Kazakhs, Russians, Koreans, Uighurs, Tatars, Uzbeks, Azerbaijanis, Ukrainians, Germans and representatives of many other nationalities live.
